

PUBLIC MEETING

To Inform about the Dangers of 5G
Electromagnetic Radiation Technology
being rolled out in our neighbourhoods
without Public consultation or consent

Saturday, 28 September - 3pm
Warkworth Presbyterian Church
5 Pulham Rd Warkworth

SPEAKERS

Laurie Ross - Veteran NZ Nuclear Free campaigner
and coordinator of 5G Free West Auckland for NZ

Katherine Smith - an advocate for safer technology
and founder of www.stopsmartmeters.org.nz.

Anthony Ardelean - Communications specialist.
From Telecom, to Spark & Chorus, Anthony now runs
his own business WCN Limited (White Cell Networks).
He has serious concerns about 5G as it is UNTESTED.
He works with Fibre because it is fast and 100% safe.

Peter Vaughan - from an electrical background.
Peter's strength is understanding how life and people
work. With a passion for soil science, and the
development of human emotion and psychology, he is
one of NZ's top entrepreneurs (7th of 500), and he is
totally against 5G.

***Our speakers will be happy to answer questions
at the end.***
