

5G HEALTH WARNING

They said **THALIDOMIDE** was safe

They said **CIGARETTES** were safe

They said **ASBESTOS** was safe

They said **MERCURY** was safe

They said **DDT** was safe

They said **GLYPHOSATE** was safe

NOW THEY SAY 5G IS SAFE...

Yeah right

**5G = fast downloads,
but at what health cost?**

**DNA damage, cancers, fatigue
headaches, insomnia, depression, infertility**

**SAY NO TO 5G & DO WHAT YOU CAN
TO OPPOSE IT!**
