THE PROPOSED 5G WEB NETWORKS

WHAT THEY **DON'T** WANT **US** TO KNOW

AS **THEY** **DON'T** REALLY KNOW EITHER !

WITHOUT REAL TESTING

THIS MAY BE THE START OF THE END FOR MANKIND.

(**Caution** – some data may alarm some viewers.)

WE MUST **LEARN** AND BE MADE **AWARE** THAT THIS NEW **5G** WIRELESS SYSTEM IS **NOT** THE SAME AS EARLIER SYSTEMS LIKE **4G,** AS **PROMOTERS** WOULD LIKE US TO BELIEVE..

THERE ARE **TWO** PARTS TO THE **5G** SYSTEM – **FIRST** PART IS **ON LAND** AT HUMAN AND LIFE LEVELS, AND NEW **SECOND** PART INVOLVES **NEW** SATELLITES ORBITING (AND TRANSMITTING) **LOW** IN SPACE.

THIS COMBINATION WILL PRODUCE **TOTAL RADIATION EFFECTS** ON **ALL LIFE** WHICH HAS **NOT** BEEN **MEASURED OR TESTED OFFICIALLY YET !**

INDEPENDENT INTERNATIONAL SCIENTISTS AND ENGINEERS **ARE ISSUING WARNINGS** BUT THE **'COMMUNICATIONS INDUSTRY',** MAINSTREAM **OFFICIALS**, AND THOSE WITH **VESTED** INTERESTS, ARE PUSHING THIS **5G** SYSTEM ONTO THE INNOCENT OR NAÏVE PUBLIC AND INTO **OUR** ENVIRONMENT.

SIMPLIFYING THE DIFFERENCE IN NETWORKS:

5G is different from **4G** in that the 5G waves are **very small**. That means they can be packed with **more data** and can travel faster. **But** it also **limits** how far they can go before they die off. Current **4G** waves can travel **kilometres.** That's why they can rely on massive antenna towers strategically located across the country.

But, 5G waves can only go **a matter of metres** before they're too weak to pick up. So, the new network will **have to** rely on **multiple** much smaller antennas mounted **much closer** to where **people are** using their devices.

Another **difference** between 4G and 5G is the sheer **amount of data** that can be transmitted. Because there will be **so much** data on these new networks, the carriers need to be able to **store** it somewhere. And that also has to be **close to** where the customers are so that it can be accessed instantly.

"The telcos that want to build 5G systems in NZ want to use a combination of relatively low frequency microwave radiation and very high frequency microwave radiation and then eventually millimetre wave radiation (MMW)."
Just by spending money on building **their 5G** webs, are **they** justified in exposing **us all** to these **new** ongoing **health** and **life risks**?

5G -THE PROMOTIONAL HYPE –

WE ARE ASKED TO ACCEPT THE IDEAS OF:

- FASTER COMMUNICATIONS IN MILLI-SECONDS,
- NEW CAPABILITIES OF REMOTE OPERATING OF MANY APPLIANCES,
- DRIVERLESS VEHICLES, REMOTE SURGERY OPERATIONS,
- AND MANY NEW POSSIBILITIES.

SOME MAY THINK THAT WILL BE GREAT !

BUT - AT WHAT COST ? DIRECT AND INDIRECT !

THERE ARE MANY SCIENTISTS AND ENGINEERS SAYING THE VAST RESULTING AMOUNT OF WIRELESS COMMUNICATION RADIATION WILL DESTROY MANKIND AND ALL LIVING THINGS.

HAS ANY PROMOTER OF 5G CHECKED? WHY WOULD THEY BOTHER – SOME STAND TO MAKE ENORMOUS PROFITS!

DOES 5G WEB STAND FOR

(AND BE LIKE,) 5 GILLION WEBS ?

(FROM WHICH THERE WILL BE - NO ESCAPE .)

THESE NEW **LINKED ELECTRONIC WEBS** ARE TO BE **HUGE** AND FROM THE **LATEST DATA** ARE MOST LIKELY **HEALTH DESTROYING 24/7.**

THE PURPOSE AND THE CONCEPT OF 5G WAS TO BE A FORWARD STEP FOR MANKIND BUT IT MAY BE THE LAST, AS NEW EVIDENCE IS SHOWING. UNTESTED IDEAS AND GREED FOR PROFITS AND POWER ARE TAKING OVER THEIR OPERATIONS BUT ALSO OUR LIVES !

HOW BIG WILL THE 5G WEBS BE ?

SIZE AND EXPOSURE CHANGE?

CELL-TOWER

IN THE PAST WE WERE **CONCERNED** ABOUT COMMMUNICATION COVERAGE **BUT,** ALSO THE **EFFECTS** FROM CELL-TOWERS THAT THEY ERECTED AND **WHERE** THEY WERE SITED.
THE **HEALTH** EFFECTS FROM THEM HAVE PRODUCED SOME ALARMING BUT **HIDDEN** FACTS ON OUR SOCIETY – e.g. RATES OF **MENTAL PROBLEMS** AND **CANCERS** HAVE CERTAINLY RISEN!

NOW, THERE **CAN BE 232** NEW **5G 'M' BOXES** MOUNTED IN YOUR ZIP CODE AREA ALONE (**MUCH CLOSER** TO YOUR FAMILY !).

SAMPLE NEW 5G 'M' BOXES.

They are powered by something called **MU-MIMO 802.11ax** – which stands for multiple user, multiple input, and multiple output antennas. And remember, these "M-Boxes" **can** be placed **anywhere**…enabling the innovative tech inside them to deliver these **laser-like** signals at **street-level**, **directly** into stores, offices, commercial buildings, and **residences.**

HOW …….

TWO **WEALTHY** **BILLIONAIRES**, (WITH A COMBINED WEALTH OF $180 BILLION)

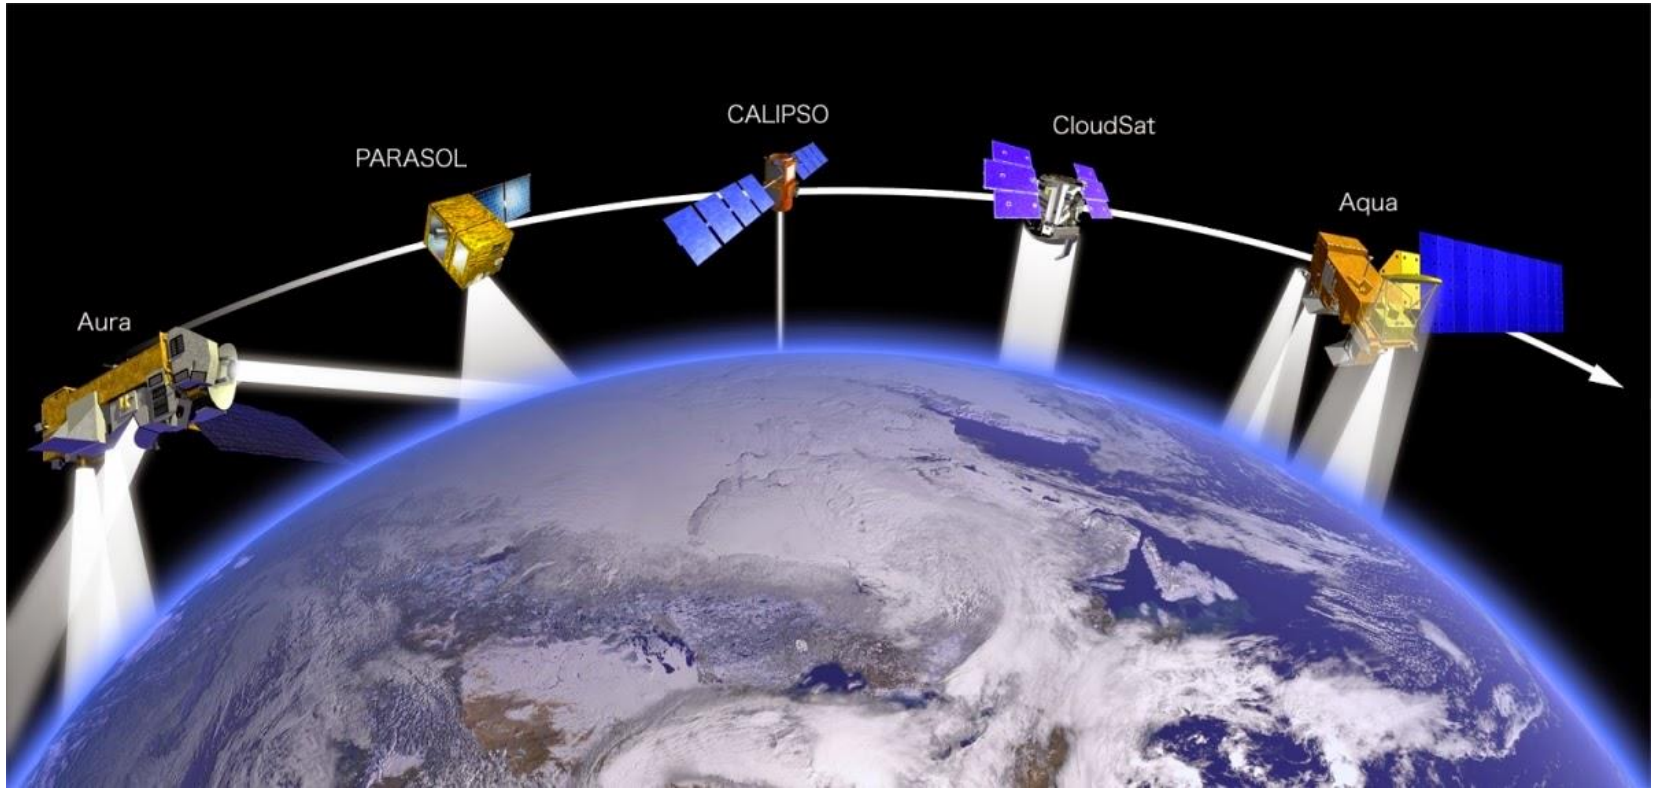
JEFF BEZOS & ELON MUSK

ARE COMPETING BETWEEN **THEMSELVES** TO HAVE THEIR **5G** NETWORKS IN OPERATION **FIRST.** THEY ALREADY HAVE **'ACQUIRED'** PERMITS FROM THE **FCC** TO PROCEED **BEFORE** OTHERS BUT **WITHOUT** **ANY** TESTING FOR ANY EFFECTS THE INCREASED **RADIATION** MAY HAVE ON US **HUMANS.**

THEY DON'T NEED THE MONEY BUT **THEIR** POTENTIAL FOR **MORE** WEALTH IS ENORMOUS AND COULD GIVE THEM POSSIBLY **TOTAL GLOBAL CONTROL.**

THE NEW **5G** WEB IS TO BE **GLOBAL!** **YOUR /OUR LIVES** AND **HEALTH ??**

THEY HAVE AND **ARE** LAUNCHING **MULTIPLE** SATELLITES FOR COVERAGE **24/7**.



NOT JUST ONE BUT,

1,200 SO FAR !

AND THE TOTAL FROM **THEM** ALONE – WAS TO BE **ABOUT 12,000 !**

BUT NOW -

SpaceX wants to add 30,000 Starlink broadband satellites to the 12,000 it already plans to put into orbit, despite concerns being raised about "space junk" trapping us on Earth.

A **SAMPLE** OF SATELLITES THAT ARE BEING

NORMALLY LAUNCHED INTO **HIGH** ORBIT – **BUT,**

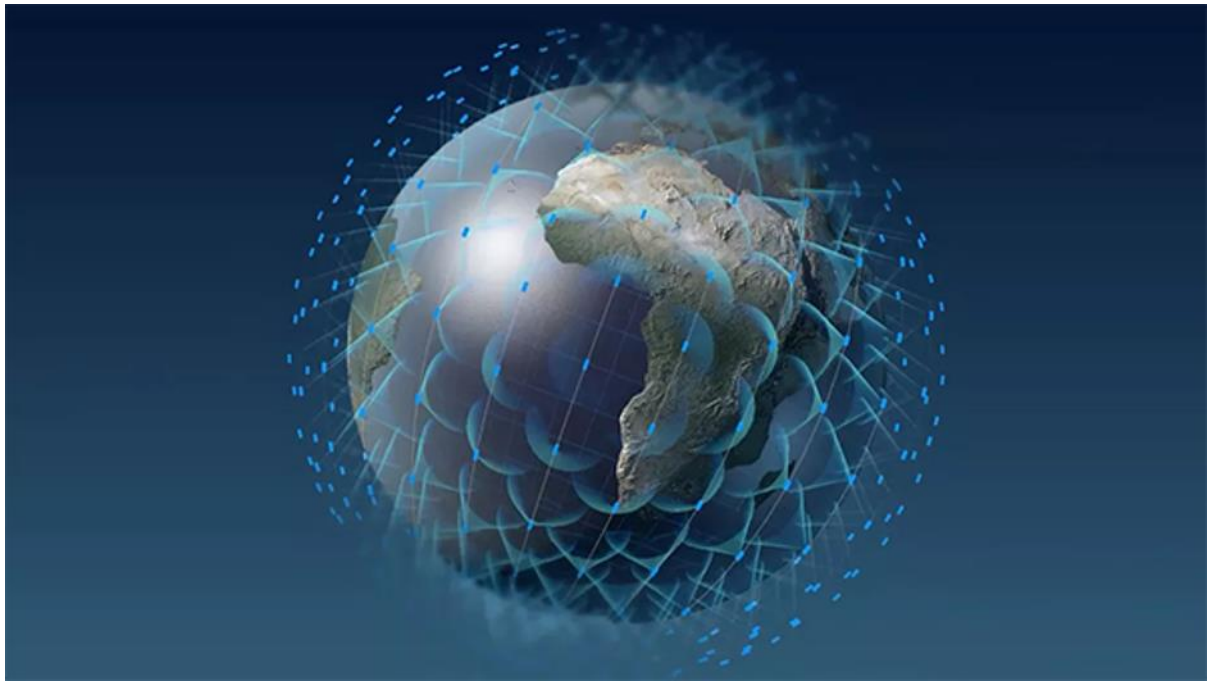
TO PROVIDE 24/7 INSTANT COVERAGE LOWER

AROUND OUR CURVED GLOBAL EARTH, THEY

ARE LAUNCHING THOUSANDS, - NO ESCAPE !!!

SOME **WILL** BE IN **COSTELLATIONS** OF NEW **'LEO'** OR **'STARLINK' SATELLITES (**IN THE **THOUSANDS)** WHICH ORBIT **LOWER** AND WILL MAKE **MULTIPLE ELECTRONIC** TRANSMISSIONS 12000% FASTER THAN THEY CURRENTLY ARE **BUT WILL BE CLOSER** TO **US.**

THE **FINAL** TOTAL SATELLITES FROM **ALL OF THE COMPANIES INVOLVED,** IN ORBIT IS EXPECTED TO BE SOME **20,000 PLUS** OVER FIVE YEARS (THEN **30,000 MORE)**!



First Launches of 5G Satellites – already done!

On the evening of May 23, **2019**, **Elon Musk's** company **SpaceX** launched its first **60** "Starlink" satellites into **low** orbit around the Earth. The satellites were launched from the Kennedy Space Centre in Florida on a Falcon 9 rocket. Musk announced his intention to carry out six more launches this year, each carrying 60 satellites, and that **when** the first **420** satellites are in orbit, they will be turned **on** and will begin providing global 5G service to SpaceX's first customers. This **could** happen by the end of 2019?

SpaceX intends for its rockets to carry **120** satellites at a time into orbit beginning in 2020, and to complete its planned fleet of **12,000** satellites within a decade. SpaceX's license from the U.S. Federal Communications Commission (**FCC**) **permits each satellite** to emit an effective **radiated** power of up to **5 million watts. (Nobody even mentions this!!!)**

SpaceX's competitor, **OneWeb,** is not far behind. OneWeb launched the first 6 of its **planned** fleet of 4,540 satellites on **February 27, 2019**. It announced its intention to launch **36** satellites per month and to turn them **on** as soon as **648** satellites are in orbit. This could happen by the end of 2020.
On **April 4, 2019**, **Amazon** announced that it is planning to launch its own fleet of more than **3,000** 5G satellites. **More** companies are also planning fleets.

5G in Space is a Planetary Emergency – Silent and invisible.

It is an **emergency, not just** because of the **direct radiation** from the satellites, but **because** of the **location** of the satellites in the **ionosphere.** The **ionosphere** is an **integral part** of the global electrical circuit that animates **all living things.** Even a few hundred satellites using the enormous amount of bandwidth that is available in the **millimeter wave** spectrum is expected to **pollute** the **global** electrical circuit — and therefore **our bodies** — with what building **biologists** call **dirty** electricity**. This is likely to be *catastrophic* to ALL LIFE on Earth.**

UNTESTED THEORY - A Seamless Connection of EVERYTHING!

Cars. Homes. Offices. Phones. Security systems. National defence. Airlines. Traffic lights. Grocery stores. Restaurants. Etc.

Literally EVERYTHING! Connected…
Communicating at lightning speed…24/7, WITHOUT HEALTH TESTING !
WHAT SORT OF AN **ENVIRONMENT** IS **THAT** FOR **ANYTHING** TO **LIVE** IN **??**

CREATION OF A FUTURE HAZARD AND PRACTICAL PROBLEMS ?

THERE IS THE OLD ADDAGE – WHAT GOES UP, MUST COME DOWN!

WHAT ABOUT **SATELLITES**? ANYTHING **MAN-MADE** HAS A **SERVICE LIFE.**

WHAT IS THE **EXPECTED LIFE** OF THESE **THOUSANDS** OF SATELLITES?

IF ANY ONE OF THESE THOUSANDS LOST ITS ORBIT, WOULD IT;

- **BURN UP IN SPACE ON DESCENT OR IS IT TOO LOW FOR THAT?**
- **CRASH AT VERY HIGH VELOCITY INTO INHABITED AREAS?**
- **COLLIDE WITH OTHER SATELLITES CAUSING MULTIPLE IMPACTS?**

WE NEED REAL ANSWERS!

HOW THEY CONTROL THEIR AMBITIONS AND US:

Largely due to **highly effective public relations strategies**, it took **50 years** for the Governments to **finally** require strict regulations and warnings on **cigarettes** and **tobacco.** **It's not** much different with today's **wireless industry**. They're following the tobacco industry's playbook and using the same **public relations strategies** that worked brilliantly back in the 1950s, **except** this time they've **'captured'** the **federal regulatory agencies** responsible for **protecting** you/us. **This time we** will **NOT** be able to **avoid** the **hazards they are creating.**

Key industry players have even hired the **same PR firm** to recreate the strategies of:

- **Paying** handpicked industry-friendly researchers to perform **biased** studies to dispute scientific findings.
- Spending millions to **sway** legislators through lobbying efforts.
- **Creating** conflicts of interest by financing their **own** studies.
- Funding studies of **questionable** design (i.e., using simulated EMF exposure instead of **real** cell phones)
- Broadcasting the message that the science is '**inconclusive'** (by mixing in the faux results of **industry-sponsored** studies to muddy the scientific waters)
- **Smearing** scientists who find **problems** with cell phones and 5G technologies to sow seeds of doubt in the public's mind

IDENTIFYING 5G: SERIOUS

*"**5G** radiofrequency (RF) radiation uses a 'cocktail' of three types of **radiation**, ranging from relatively low-energy radio waves, microwave radiation with far more energy, and **millimeter** waves with **vastly** more energy ...*

*The extremely high frequencies in **5G** are where the biggest danger lies. While 4G frequencies go as high as **6** GHz, **5G** exposes **ALL** **biological life** to **pulsed** signals in a **30** GHz to **100** GHz range.*

*The general public has **never before** been exposed to such **high** frequencies for **long** periods of time."*

ALSO - THE TYPE OF SIGNAL WE ARE TO RECEIVE:

*"It's important to understand that the **PULSATION** **isn't natural.***
*We **don't** receive modulated digital radio frequencies in nature.*

We get analog signals and they are MUCH weaker. The strongest radio signals we receive from natural sources from the cosmos are about a ONE HUNDRED BILLIONTH OF A WATT.

That means 1 microwatt of RF energy is about 1 million times stronger than the strongest RF pulse we would have received ancestrally."

EMF EXPERT
USA

CONCERNS AND APPEAL

Despite that, and an appeal **for protection** from nonionizing EMF exposure by more than **230** international **EMF scientists** to the United Nations in 2015, the U.S. and many other countries are still moving ahead **without** any **health or environmental impact studies. (5G – Profits, greed, and power driven?)**

At a February 6 **2019**, **Senate** commerce hearing, the USA Federal Communications Commission (**FCC**) **admitted** that **NO 5G** safety studies have been **conducted or funded** by the agency or the telecom industry, and that **NONE** are planned.

The **added** concern **5G** brings, is the **addition** of the **millimeter** wave (MMW). This bandwidth, which runs from 30 gigahertz (GHz) to 300GHz,[41] is known to penetrate up to **2 millimeters into** human skin tissue,[42,43] causing a burning sensation.

Continued:

Research has shown sweat ducts in human skin act as receptors or antennae for **5G** radiation, drawing the radiation into your body,[44,45,] thereby causing a rise in temperature. This in part helps explain the painful effect.

As noted by Dr. Yael Stein — who **has** studied **5G** MMW technology and its interaction with the human body — in a 2016 letter to the Federal Communications Commission (**FCC**):[49]

*"Potentially, if 5G Wi-Fi is spread in the public domain we may expect more of the health effects currently seen with RF/ microwave frequencies including many more cases of hypersensitivity (EHS), as well as many **new** complaints of physical pain and a yet unknown **variety** of **neurologic** disturbances.*

Aside from pain, **MMW has** also been linked to eye damage, heightened stress through its impact on heart rate variability, arrhythmias, suppressed immune function and increased **antibiotic resistance** in **bacteria –** a **decrease** in **future** medical care **solutions .**

If Stein is right about being able to demonstrate a causal relationship between **5G** and certain health effects, then the **class action** against **Apple** and **Samsung**, will be just **the** beginning of **a flood of lawsuits.**

Beyond its health ramifications, a global **5G network** will also threaten our ability to **predict weather**, which will put civilians at risk and jeopardize the Navy.[61] According to a recent paper[62] in the journal '**Nature'**, widespread 5G coverage will **prevent** satellites from detecting changes in water vapour, which is how meteorologists predict weather changes and storms. Time will tell if that will be yet **another** avenue for **legal action**.

THE LEGAL ASPECTS – LATEST NEWS

A group of telecom industry experts called **'The Irregulators'** has **exposed** a vast and **illegal financial scheme** in the telecommunications industry.

Telecom analyst Bruce Kushnick and **attorney** Scott McCollough are spearheading the organization's **lawsuit** against the Federal Communications Commission,(**FCC**) an agency 'captured' by the telecom industry. This agency is **supposed to** protect the interests of customers – NOT the industry.

For decades, basic telephone rate payers — wire line customers — have funded the deployment of wireless in general, and **now** - **5G in particular**, through their phone bills **payments.**

The **illegal redirection** of funds amounts to **about $1 trillion** over the past **15 years**, and without this money, **5G would not be** possible. Were the **wireless industry** forced to pay its **fair share** of **infrastructure costs**, 5G **would not** be economically feasible as a consumer product

Wireline customers paid for an upgrade to fast and safe **fibre optic** wiring across the nations, **but now** we're getting **harmful** 5G wireless instead.

Note: Superior alternative option:

*"[Kushnick and McCollough are] leading experts in the telecom industry who have mapped a pathway **to restore** the Internet to the human-friendly, benevolent ideals from which it started. **As part of this redirection**, they're **not afraid** to call out the **corruption** of **those** **who have hijacked it.***

5G Will Exponentially Magnify Your Health Risks

The planned implementation of 5G is bound to **further** magnify the health risks associated with cellphones and other **wireless** devices. A call for a moratorium on 5G was issued in September 2017 by **more than 180** scientists and doctors from **35** countries, "**until** potential hazards for human health and the environment **have** been **fully investigated** by scientists **independent** from industry."

The moratorium points out that "RF-EMF **has** been proven to be harmful for humans and the environment," and that "5G will **substantially** increase exposure to radiofrequency electromagnetic fields (RF-EMF) on top of the 2G, 3G, 4G, Wi-Fi, etc. for telecommunications **already** in place."

The official guiding department – the Federal Communications Commission in USA has been 'hijacked' by the 'communications industry' as the 'Tobacco Industry' did years ago. We CERTAINLY witnessed the suffering and deaths from that hype.

ANOTHER SINISTER ASPECT OF THE 5G WEB – LOSS OF PERSONAL PRIVACY

- WITH THE **LINKED** **BILLION 'FACE RECOGNITION' CAMERAS** SOON TO BE OPERATING GLOBALLY, A PROFILE OF **EVERY** PERSON WILL BE ABLE TO BE CREATED AND THEN ALL THEIR **ACCUMULATED** DATA CAN BE **MONITORED** 24/7. BUSINESS CAMERAS AND YOUR COMPUTER ACTIVITY COULD BE ALSO ADDED.

- THE **DATA** COLLECTED **CAN INCLUDE** PERSONAL DETAILS, HABITS, BANK ACCOUNTS, PURCHASES, LOCATION, VEHICLE, ASSOCIATES, HEALTH HISTORY INCLUDING AILMENTS, PREFERENCES, ETC.

- THIS DEVELOPMENT **HAS** ALREADY GIVEN RISE TO A **'SOCIAL CREDIT'** SYSTEM IN CHINA WHERE EVEN EACH PERSON'S **BEHAVIOUR** IN SOCIETY IS MONITORED AND RECORDED. SOME 9,000,000 PERSONS HAVE ALREADY BEEN PENALISED WITH RESTRICTIONS PLACED ON THEM IN TRAVEL, LUXURY GOODS, SCHOOLING, AND EMPLOYMENT SITUATIONS, ETC.

- THE SYSTEM IS MEANT TO ASSIST AUTHORITIES LIKE POLICE AND CLAIMED TO MAKE SOCIETY SAFER **BUT** THE DATA COLLECTED **DOES NOT** HAVE RIGID CONTROLS. **BUSINESSES** CAN ALSO MAKE CONDITIONS REALLY PROBLEMATIC FOR THOSE **THEY** DON'T WANT OR WISH TO AVOID.

REACTIONS FROM AROUND THE GLOBE:

THERE IS **INCREASING OBJECTION TO 5G** IN NUMEROUS CITIES, COUNTIES, AND COUNTRIES.
THIS INCLUDES BOTH **BANS** AND **MORATORIUMS** SEEKING **MORE** INFORMATION **BEFORE** ANY 5G INTRODUCTION.

THE **GROWING NUMBER** OF LOCATIONS INCLUDE;
BRUSSELLS, BELGIUM,
UNITED KINGDOM – IRELAND, SCOTLAND, AND WALES.
FLORENCE, ITALY. , FRANCE, MALTA, BANGLADESH,
NETHERLANDS, CYPRUS, SWITZERLAND,
AND EVEN A **BAN** BY RUSSIA'S MINISTRY OF DEFENCE, ETC

FROM A VIDEO TAKEN AT A **RUSSIAN ASSEMBLEY** LECTURE, **PRESIDENT PUTIN** BASICALLY SAYS "WE DO NOT NEED TO GO TO WAR WITH AMERICA. AMERICA IS COMMITING COLLECTIVE SUICIDE BY THE WAY THEY ARE USING ELECTRICITY. WE JUST HAVE TO WAIT UNTIL THEY ARE ALL IN THE **PSYCHIATRIC** HOSPITALS".

"HE SEES THE **USA** AS A DYING NATION BASICALLY BECAUSE OF THE WAY THEY **FLUORIDATE** (TOXIFY) THEIR DRINKING WATERS, THE WAY THEY HAVE **ADAPTED** VACCINE PROGRAMS, AND THEIR **'ELECTRO-SMOG'.** THEY HAVE **CREATED** A **PERFECT STORM** TO **DUMB DOWN** THEIR **WHOLE** NATION"

THE **2016** USA MENTAL HEALTH REPORT QUOTES THAT **1 IN 6** PERSONS IN USA ARE **NOW** ON PSYCHIATRIC DRUGS!!!
NO WONDER RUSSIA'S MINISTRY OF DEFENCE HAS PUT A **BAN** ON **5G.**

AS TIME PASSES **MORE** PEOPLE ARE **BECOMING AWARE** OF THE POTENTIAL **DISASTER** LOOMING.
THE INTERNET NOW HAS **INCREASING** MULTIPLE REPORTS, VIDEOS, AND ARTICLES BY **PROFESSIONALS, ACADEMICS**, AND OTHER **EXPERTS** WHO HAVE **NO** VESTED INTERESTS, **BUT** PROVIDING VERY SOLID REASONS FOR **CAUTION**.

THE **HUNGER** FOR **NEW TECHNOLGY** BY **SOME** CAN CAUSE THEM BLINDNESS TO THE POTENTIAL **RISKS.**

WHAT CAN BE ACHIEVED WITH THE HIGHER WAVEBANDS IS AMAZING BUT THEY ARE IN AN UNNATURAL ZONE WHICH IS **NOT** GOOD FOR **HUMANS** OR ANY **LIVING** THINGS - **THE ONE STEP TOO FAR?**

THERE IS A **TERRIBLE** PRICE TO PAY IF THEY GET IT WRONG AND **LITTLE CHANCE** TO CORRECT ANY DIRE SITUATIONS.
THE FINISHED ELECTRONIC WEB WILL BE **GLOBAL AND A BIGGER RISK** THAN ANY **VIRUS** EMERGENCY OR HUMAN **OUTCOME**.

SOME HISTORY IN NZ -
THAT EFFECTS US TODAY AND OUR FUTURE.

CIVIL RIGHTS DENIED?

THERE IS A LOT OF CLEAR EVIDENCE OUT THERE THAT CASTS UNCERTAINITY OVER THE **SAFETY** OF THE CELLPHONE MASTS OR **5G** EQUIPMENT AND ENOUGH UNCERTAINITY TO SUGGEST A WISE **PRECAUTIONARY** APPROACH TO THE ISSUE.

NEW ZEALAND HAS BEEN THE **EXACT OPPOSITE** OF THE **PRECAUTIONARY** PRINCIPLE.

HOW CELLPHONE TOWERS OR 5G BOXES ARE PUT IN OUR NEIGHBOURHOOD IS A CASE STUDY IN HOW **CORPORATIONS** EXERCISE THEIR **POWER** AND THIS LABOUR PARTY **GOVERNMENT** IS COMPLICIT IN THIS.

THE EXTRAORDINARY FACT IS THAT YOU NOW HAVE **NO LEGAL RIGHT** TO HAVE ANY SAY OVER THE PLACEMENT OF CELLPHONE TOWERS OR 5G BOXES ON STREET POLES ON THE ROAD RESERVES.
YOU ALSO HAVE **NO LEGAL RIGHT** TO STOP THEM PUTTING A CELLPHONE 5G MAST OR BOX OUTSIDE A FAMILY BEDROOM WINDOW IF THAT IS WHERE THE STREET POLE IS.

OBJECTIONS OR DISPUTES

YOUR LEGAL RIGHTS WERE ALL REMOVED BY THE LABOUR GOVERNMENT **VIA REGULATION** ON SEPTEMBER 8, 2008.
LABOUR REMOVED YOUR RIGHT WHILE CALLING IT SOMETHING RATHER POSITIVE SOUNDING – BY ENACTING A **'NATIONAL ENVIRONMENTAL STANDARD'** (**NES**).

THE **NES** SAYS, THAT SO LONG AS THE TELCOs MEET CERTAIN RULES AROUND THE SIZE OF THE CELL PHONE TOWERS AND MEET A NZ STANDARD (NZS 2772) ON THE RADIATION COMING OUT OF THE EQUIPMENT "THE **TELCOs DON'T** HAVE TO GET **ANY PERMISSION** FROM THE LOCAL COUNCIL **OR RESIDENTS** TO PUT UP AS MANY CELLPHONE TOWERS OR BOXES **AS THEY LIKE,** ON STREET POLES ON THE ROAD RESERVES".

FROM THE **PARLIAMENT REFERENCE LIBRARY:**

THE **GOVERNMENT** CREATED **'THE TELEPHONE COMMUNICATION REFERENCE GROUP'** WHO **WROTE** THE STANDARD (**NES)** FOR THIS GROUP – CALLED THE RESOURCE MANAGEMENT (NATIONAL ENVIRONMENTAL STANDARDS FOR TELECOMMUNICATION FACILITIES REGULATIONS 2016).
BUT, THE MAKEUP OF THIS **GROUP** IS ALSO A **SHOCKER!**

SETTING THE GOLD STANDARD TO PROVIDE PROTECTION GROUP

1. ADOPT RADIATION CONTROL
2. BROADCAST COMMUNICATIONS NZ
3. LOCAL GOVERNMENT NZ
4. MINISTRY OF COMMERCE
5. NATIONAL RADIATION LAB
6. NZ ASSOCIATION OF RADIO TRANSMITTERS
7. TELECOM NZ
8. INSTITUTE OF OCCUPATIONAL AND ENVIRONMENTAL HEALTH

ALL BUT ONE INVOLVED IS LOOKING AFTER **COMMERCIAL** INTERESTS!

AND THEIR DISCLAIMER:

"THERE IS SCIENTIFIC RESEARCH, INCLUDING EPIDEMIOLOGY, WHICH HAS SUGGESTED ASSOCIATIONS BETWEEN SOME ADVERSE HEALTH EFFECTS AND EXPOSURE TO RF (RADIO FREQUENCY) FIELDS AT LEVELS LOWER THAN THE BASIC RESTRICTIONS SPECIFIED IN THIS STANDARD, HOWEVER CAUSATION HAS NOT BEEN SHOWN".

(AND THAT WAS **THEN** – WE NOW **KNOW** BETTER!)

A CHANGE TO THEIR NEW ZEALAND GOLD STANDARD:

IN 1999 A COMMITTEE **DOMINATED** BY TELCOs AND THE MINISTRY OF COMMERCE WROTE THE **NEW** STANDARD **2772.1** THAT SETS THE LEVELS OF **RADIATION** ALLOWED FROM CELLPHONE TOWERS.

ADOPTED BY THE LABOUR GOVERNMENT IN 2008, THIS **FORCES** US TO HAVE TOWERS OR BOXES ON ANY STREET **WITHOUT** ANY LEGAL RIGHTS TO OBJECT REGARDLESS OF HOW CLOSE POLES ARE.

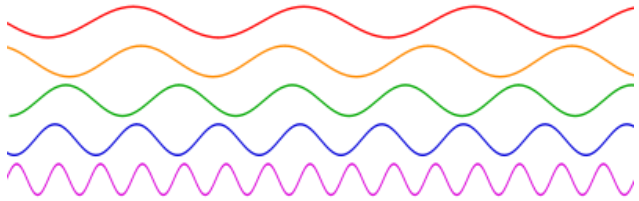
"THE GOVERNMENT SHOULD HAVE PROTECTED US FROM THE TELCOs AND OPERATED A PRECAUTIONARY APPROACH. INSTEAD THEY DID THEIR DIRTY WORK AND WILFULLY TIED THE HANDS OF THE CITIZENS AND COUNCILS. **THE TELCO CORPORATIONS** HAVE TAKEN HOLD OF (HIJACKED) OUR GOVERNMENT AND LABOUR HAS HAPPILY AQUIESTED." (SIMILAR TO THE **FCC** FIASCO IN USA).

AGAIN, **TELCOs** KNOW THE LAW BECAUSE THEY HELPED WRITE IT.

ONCE THEY HAVE THEIR **NZ 5G NETWORKS** IN PLACE THEY **CAN**;

1. MANIPULATE THE FREQUENCIES TO THEIR LIKING. 2. INCREASE THEIR CUSTOMER BASE, PROFITS, TRANSMISSIONS AND THE RESULTING **RADIATION**.
3. LINK TO THE THOUSANDS OF ORBITING **SPACEX** SATELLITES ON A **GLOBAL** NETWORK (BUT THEN IT MAY **NOT** BE UNDER THEIR CONTROL) BUT WITH **HIGHER** RADIATIONS.

CAUTION



VICTIMS:

ANYONE WHO HAS NO WISH FOR DECLINING HEALTH OR EXPOSURE TO THE MASSIVE INCREASE IN ELECTRONIC FIELDS. THIS INCLUDES OUR INNOCENT CHILDREN, PETS, AND LIVESTOCK.

EVEN THE 5G EFFECTS ON INSECTS (E.G. Bees) HAS NOT BEEN FULLY STUDIED. IF INSECTS DROP OUT OF NATURE'S FOOD CHAIN, IT WILL EFFECT OUR WORLD FOOD CHAINS TOO.

IF ANYONE (AND THAT COULD BE MILLIONS), SUFFERS 5G EFFECTS, THERE WILL NOT BE ENOUGH SUPPORT LEFT IN SOCIETY FOR THEM OR US, TO HEAL OR TO SURVIVE.

5G = 5 GUESSES ? WE ASK 5G PROMOTORS TO ALSO EXPLAIN !

1. WHAT QUANTITY OF ELECTRONIC DATA IS REQUIRED TO OPERATE, GUIDE, AND MONITOR JUST ONE DRIVERLESS CAR SAFELY ON ANY JOURNEY. WE HAVE SOME 5 MILLION VEHICLES IN THIS NZ COUNTRY. THE RADIATION INVOLVED APPEARS TO HAVE BEEN IGNORED!

2. IF A LARGE AIRLINER APPROACHES ANY CROWDED CITY AIRPORT TO LAND, COULD THERE BE AN OVERLOAD OF 5G COMMUNICATION CAPACITY IN THAT CITY AREA? NOT EVEN TESTED?

3. IF THE 5G TRANSMISSION NETWORK BROKE DOWN OR STOPPED E.G. SOLAR FLARE, WHAT WILL BE THE RESULTS IN ALL THE ACTIVITIES RELYING ON 5G? WHAT SAFETY OR PLAN B ?

4. IF 5G RADIATION IS SAFE, WHY DOES THE UNITED STATES ARMY HAVE IT IN THEIR ARSENAL OF WEAPONS TO CONTROL CROWDS OR FOES? IT CAN OVERHEAT TARGETED BODIES.

5. IF PROMOTERS HAVE NO PROOF, WHY CAN'T WE HAVE A MORATORIUM ON 5G AS OTHER COUNTRIES HAVE, BEFORE 5G IS ACCEPTED, INSTALLED, AND BEFORE WE ARE EXPOSED?

WHAT YOU CAN DO TO REDUCE YOUR EXPOSURES TO WIRELESS RADIATION:

Prioritise the use of safe, hardwired phones and internet connections for your home and business
Connecting to the internet with inexpensive ethernet cables and using a phone with a cord whenever possible helps to protect your health and is better for the environment (as using hardwired data transmission is more energy efficient plus using the copper or fibre system also helps to reduce the proliferation of cellular phone towers).

COMBINED ACTION AND DETERMINATION **CAN** SUCCEED IF WE ALL WORK ON THIS PROBLEM **NOW.**

SOME OFFICIALS AND CITIZENS WILL FIND IT DIFFICULT TO ACCEPT ANY NEW INFORMATION BUT IT IS VITALLY IMPORTANT TO CEASE THE 5G SYSTEM UNTIL TESTING IS DONE.

ALL HELL MAY BREAK LOOSE SOON BUT, **WE** AND **ALL** FAMILIES **NEED ACTION** TO **SURVIVE**!
